Dear Mr. Joiner:

You have one outstanding case with our court. You were convicted of Domestic Violence 3<sup>rd</sup> (Menacing) and ordered to serve 30 days in jail, pay court cost of \$191.00 and attend E.V.E.N. classes. As of today you still owe the court cost and a \$22.00 warrant fee and you failed to attend the E.V.E.N. program. Please let me know what you would like to do about this case. Send official documentation that shows your date of incarceration, length of sentence and your earliest parole date along with your request.

I have enclosed a copy of your court transcript and a breakdown of what you owed at the time you were arrested on February 25, 2005. If I can be of further assistance to you please do not hesitate to contact me.

Very sincerely yours,
